A) Tasks accomplished during this week:

- We discussed Diabetes Day, which will be held at Hazza Bin Zayed Stadium in November, with the diabetes medical team.
  - I worked with zayanaa who organize medical events to gather sponsors and develop a complete plan for Diabetes event.
  - I visited the media department to get advice on ensuring the event’s success from both media and medical perspectives.
  - I contacted some institutions to organize a lecture on breastfeeding.
  - Tawam Hospital opened Hope Garden, and I attended the inauguration. This garden is intended to bring hope to cancer patients and other patients at Tawam Hospital as they recover. The executive director of the hospital attended, and we talked with officials about how this garden can provide a refreshing, life-giving space.
