Name of Student : Moza saeed al sheryani Student ID:202000804

Training Organization :Tawam Date:4-10-2024

Field Supervisor :Tahnoon Academic Supervisor :Dr .sameera

A) Tasks accomplished during this week:

1. Communicated with the Respiratory department to organize an event for Respiratory Care Week 2024.
- 2- I worked on this year's major events to ensure that the plan was clear for all departments.
- 3- On Tuesday, students from Fatima College visited the children's oncology ward at Tawam Hospital, and I welcomed them and took care of the necessary arrangements.
- 4- I went to Tawam Oncology Hospital to coordinate with the department manager and arrange for doctor approvals to conduct awareness lectures on breast cancer.
- 5- Attended a ceremony honoring all the volunteer departments involved in transferring patients from Tawam Hospital to Tahnoon Medical City.
- 6- Abu Dhabi TV was at Tawam Hospital, and I supervised their presence, providing them with all their needs in a timely manner, including doctors and breast cancer survivors, to include these interviews in their program.

The percentage of the accomplished tasks assigned to me :100%

C) Difficulties encountered during this week :

- 1-This week went smoothly for me, as I've gotten used to working intensely and managing various pressures effectively

B) Methods of overcoming during this week:

Nothing

C) Suggestion for improving the internship program:

Nothing
